

The Calming of the Storm

One day Jesus and His disciples were out on a boat. The waters were lovely and calm, so Jesus went for a sleep.

Now while Jesus was asleep, a **storm** began to grow. There were rolls of **thunder** and flashes of **lightning**; the waves **crashed** against the side of the boat, rocking them from side to side. **They were terrified!**

“JESUS, HELP US!” the disciples cried.

When Jesus heard the cries of the disciples, He woke from His sleep.

Jesus looked out over the waters and boldly said, **“PEACE! BE STILL”**

And the storm was calm.

The disciples turned to one another and said, **“Who is this man? Even the wind and waves obey him!”**
